

Memorial and All Occasion Card Programs

Donations for our Memorial and All Occasion Card programs are directed to the retirement needs of the Sisters of St. Joseph of Boston. Choosing our cards is a generous way of celebrating the lives of relatives and friends. Throughout the year, those you wish to remember through our card programs are remembered in prayer by the Sisters and their Associates.

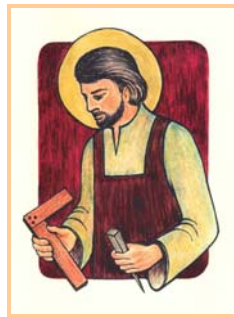

We encourage our donors to request family and friends to remember the Congregation by sending donations “in lieu of flowers,” and to pass cards along wherever and whenever there is a need. A donation envelope is provided with each card. All donations are acknowledged by the Sisters of St. Joseph Office of Mission Advancement.
